# Change Package

The screenshot shows the National Asthma Forum website. The header includes the forum's name and a tagline. The main content area is titled 'Communities Action-Friendly' and contains several sections of text and a circular diagram. The sidebar on the left lists various topics and resources. The footer includes the National Asthma Forum logo and contact information.

**Communities Action-Friendly**

**What is the Forum?**

The National Asthma Forum is a charity that works to improve the lives of people with asthma. We do this by working with the government, the NHS, and other organizations to develop policies and programs that will help people with asthma live better lives.

**What is the Forum's vision?**

The Forum's vision is to create a world where everyone can live with asthma without it affecting their quality of life.

**What is the Forum's mission?**

The Forum's mission is to work with the government, the NHS, and other organizations to develop policies and programs that will help people with asthma live better lives.

**What is the Forum's strategy?**

The Forum's strategy is to work with the government, the NHS, and other organizations to develop policies and programs that will help people with asthma live better lives.

**What is the Forum's impact?**

The Forum has a significant impact on the lives of people with asthma. We have helped to develop policies and programs that have improved the lives of millions of people.

**What is the Forum's future?**

The Forum's future is bright. We are working with the government, the NHS, and other organizations to develop policies and programs that will help people with asthma live better lives.
