Contribute to the immediate improvement of the 2007 National Asthma Forum by providing your input.

1. What is working at this event?

2. What is causing it to work?

3. What is the meeting charge? Is it being met?

4. What can meeting organizers do more of, better, or differently?

5. What ideas, insights, or requests do you have that can strengthen and enhance the *Communities in Action for Asthma-Friendly Environments* initiative?
